Lubricants for the sugar industry

Let's invent the future

REPSOL LUBRICANTS

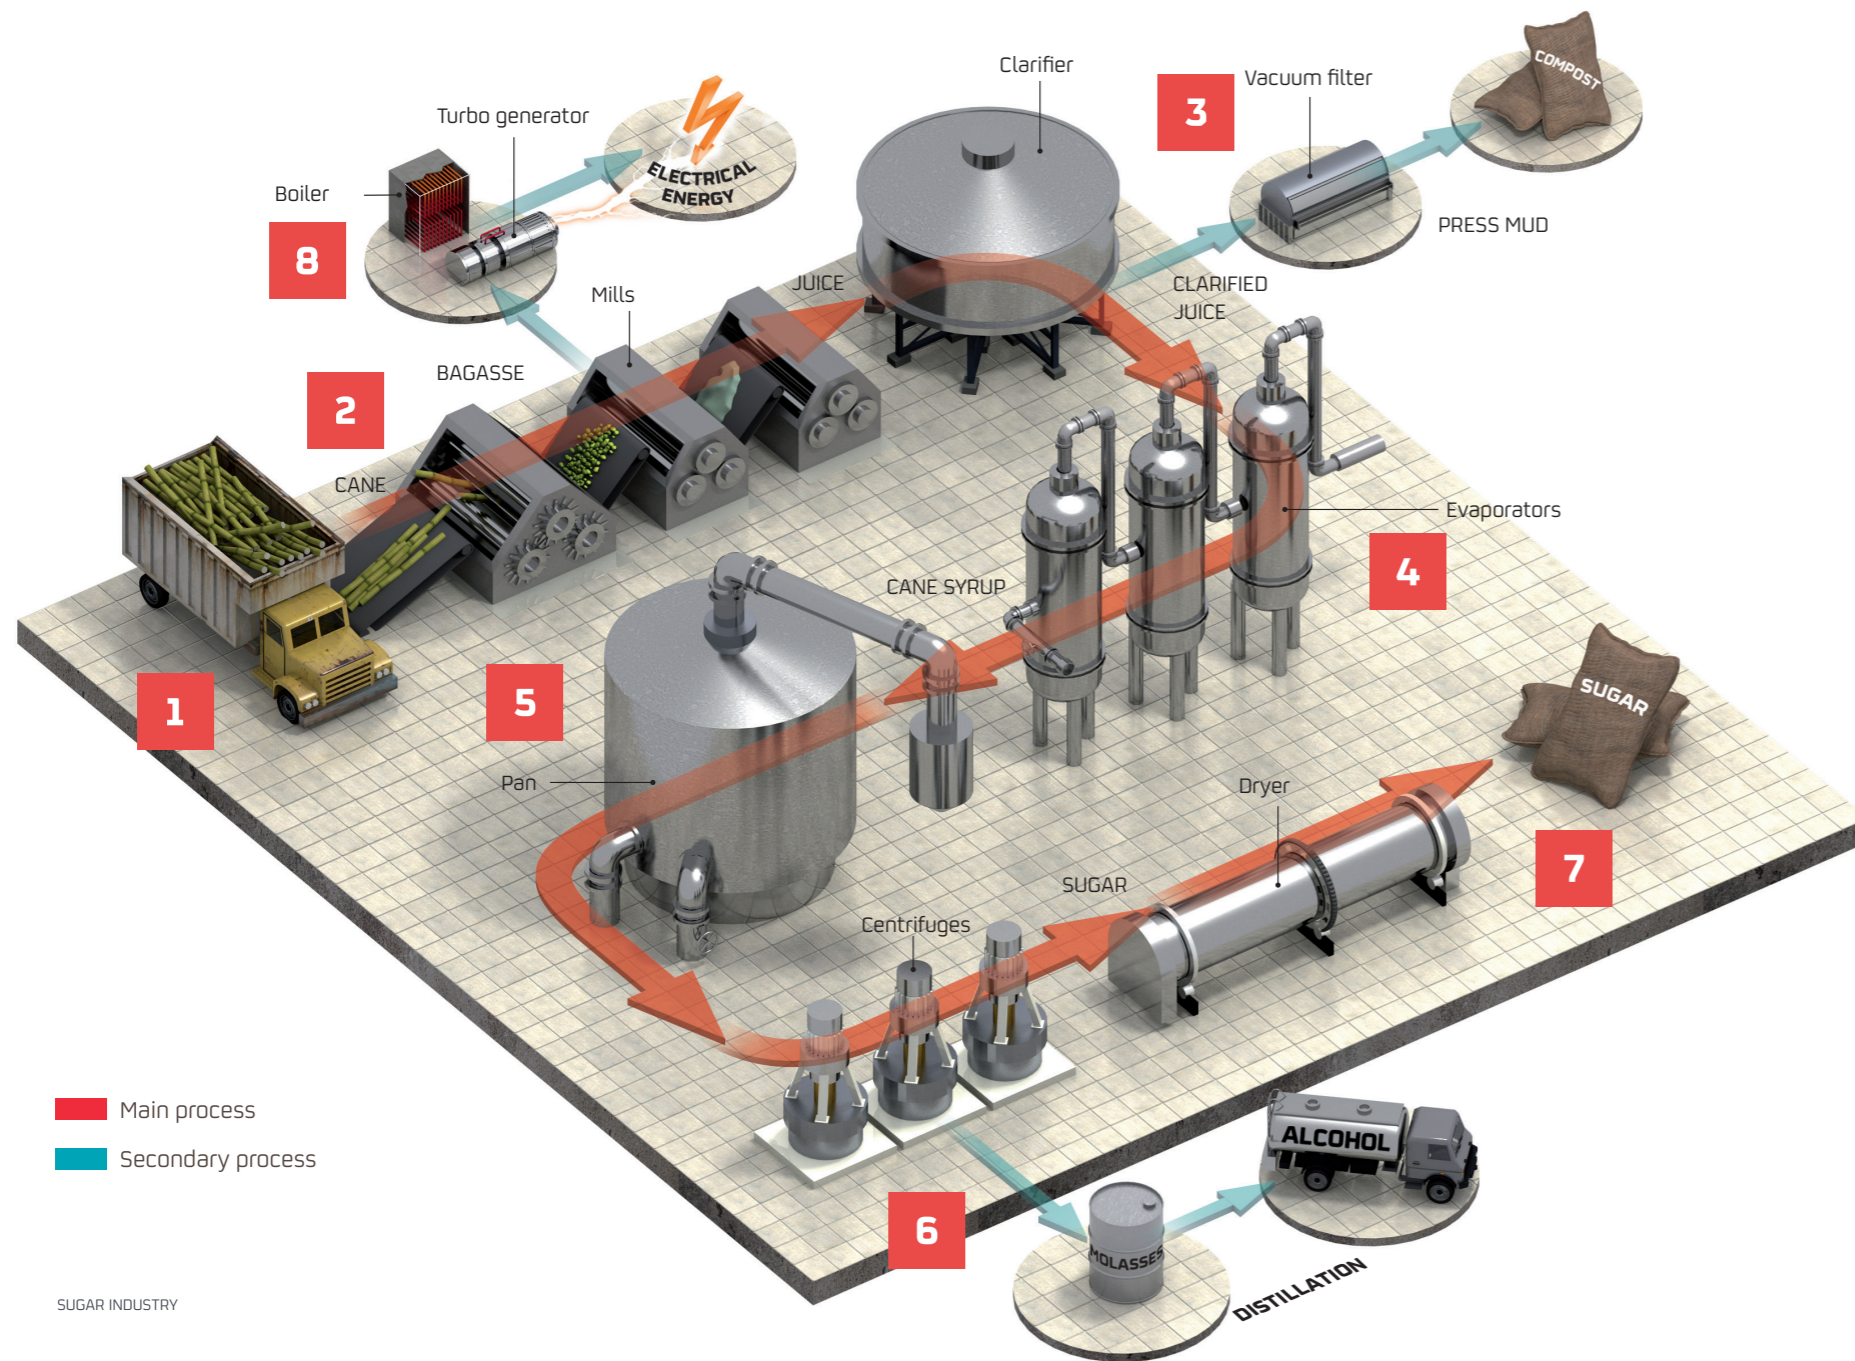

THE BEST SOLUTION FOR YOUR MACHINERY

When you choose Repsol lubricants, **you get so much more**. Not only are you choosing the highest quality product, you're doing so with the support of the Repsol Group guarantee. An **integrated and global energy company** that develops exploration, production, refining, distribution, and marketing activities in **over 80 countries**, providing millions of people and companies worldwide with the most efficient, responsible, and innovative energy solutions.

All of the Repsol products are accompanied by **maximum innovation**. At Repsol, we have our cutting-edge Repsol **Technology Lab** that is at the forefront of R&D&I worldwide. There, our technicians and researchers are constantly striving to improve every product we offer to ensure maximum efficiency, as well as enhanced technical and environmental quality.

In this catalog, we have selected the most popular Repsol products in the sugar industry. However, Repsol has a **wide range of products** at your disposal.

For more information, please refer to our catalogs on repsol.com or scan this QR code
